

## RECTORS ELECTED AT ANNUAL MEET

MEMBER OF COMMERCE HELD  
MEETING AT GOBIN  
MEMORIAL CHURCH

ECKARDT WAS SPEAKER

Browning, Frank Cannon,  
Fred O'Hair Were Named;  
Officers Elected Soon

Annual meeting of the Green-  
Castle Chamber of Commerce was  
held at the Gobin Memorial Church  
last evening. The purpose of the  
meeting was the election of three  
directors, who with the older  
directors will meet tomorrow and elect  
for the coming year.

Edward E. Sandy, president, was  
in charge of the meeting. The new  
directors named were Ernest A.  
Browning, Frank J. Cannon and Fred  
O'Hair.

Hold-over directors include  
Allen J. A. Bamberger, Paul  
Russell E. Brown, Sam T.  
Charles McCaughey, R. P.  
and Dr. C. C. Tucker.

L. R. Eckardt who for the past  
years has been on the faculty of  
the University, was the guest  
speaker at the meeting. He spoke  
of the needs and aims of DePauw as  
an arts college during its second  
hundred years, which it is  
celebrating. He spoke of the De-  
Pauw endowment drive because at  
the meeting, captains were named  
to the Chamber of Commerce to  
the campaign drive in Green-  
castle during the coming months. Dr.  
Eckardt said so many times we can  
close to something that we  
ought of the value of it and he  
said to be careful that this did not  
lead to DePauw with Greencastle.

Eckardt told of how his stu-  
dent life was a period of 25 years, have  
into every section of this coun-  
try and he named foreign nations.  
DePauw men and women have  
part in the leadership of those  
nations. He said the object of De-  
Pauw is to teach young men and  
women to do straight thinking. He said  
that show that from 70 to 80  
percent of the people of today are  
in "round holes" and the  
need of a liberal arts college, such  
as DePauw, is to correct this system.  
Such men and women to be able  
to take themselves and to release  
themselves. He said if an education  
does not bring a student into self  
reliance, it fails for that student.

Eckardt is of the opinion that  
liberal arts colleges are facing a  
serious position. He said they are  
between the fast growing  
colleges and the state univer-  
sities. He said the tax problem is a  
major one for DePauw and cited  
instances where a legacy was cut  
because of state taxes but in  
other cases, he said, it was  
like DePauw. He said DePauw is indis-  
pensable to the future welfare of the na-  
tion.

His talk was an interesting one,  
that came from the heart of an  
actor at DePauw with more  
than a quarter of a century of rich  
experiences behind him at one school  
and an additional twenty years of ex-  
periences in other teaching fields.

## Lewis' Campaign Takes Spotlight

OVERSHADOWS EARLY STAGES  
OF 1938 PRIMARY ELEC-  
TION SEASON

WASHINGTON, March 22.—(UP)—  
John L. Lewis' campaign to test  
Committee for Industrial organiza-  
tion political strength in Pennsylvania  
overshadows early stages of the  
1938 primary election season which  
will begin three weeks from today in  
Illinois.

The April 12 Illinois primary will  
be notable principally for its contest  
between Gov. Henry Horner's down-  
state Democratic organization and the  
Cook county forces led by Mayor  
Edward J. Kelly and Patrick A.  
Nash of Chicago. Horner supports  
Rep. Scott Lucas, D., Ill., for nomi-  
nation to the Senate seat now held by  
Sen. William H. Dieterich, a Demo-  
crat who appears to have been de-  
serted by powerful former friends,  
including President Roosevelt.

Dieterich is out of the race. The  
Kelly-Nash machine which put him  
in the Senate in 1932 would replace  
him now with U. S. District Attorney  
Michael L. Igoe.

Primaries in South Dakota, Ala-  
bama, and Indiana on May 3 follow  
Illinois. Pennsylvania and New Jer-  
sey on May 17 and Oregon, May 20,  
complete the list for that month.

Advance reports from Indiana are  
that the state Democratic organiza-  
tion will make good on its threat to  
elect Sen. Frederick Van Nuys, D.,  
Ind., who opposed Mr. Roosevelt's  
judiciary "reorganization" bill. Van  
Nuys further offended organization  
Hoosier Democrats by coolness to-  
ward former Governor Paul V. Mc-  
Nutt's 1940 presidential ambitions.

**MOAG FREE UNDER BOND**  
Cameron J. Moag, 35 years old, of  
New York, central figure in the Tip-  
pecanoe County Loan and Trust  
Bank failure in 1934, has surrendered  
to Sheriff Ralph J. Fisher at Lafay-  
ette and was taken into custody on  
a grand jury indictment returned in  
April, 1937, charging him with hav-  
ing been an accessory of Margaret  
Cheney in making false entries in the  
books.

Miss Cheney is now serving a four-  
year term in the Indiana Women's  
Prison.

After the Circuit Court fixed his  
arraignment for April 16, Moag was  
released when he posted \$2,500 bond.  
Sureties on the bond were his par-  
ents, James and Laura A. Moag of  
Indianapolis, and James H. Porter,  
Lafayette justice of the peace. Moag  
and his parents are well known here.

## TRESTER FUNERAL TO BE HELD WEDNESDAY P. M.

ster, age 75 years, well known Wash-  
ington township farmer, who died  
Monday, will be held Wednesday af-  
ternoon at 2 o'clock from the home  
northwest of Reelsville. The Rev.  
Alex Porteus will officiate. Inter-  
ment will be in the Boone cemetery.  
Mr. Trester was born in Marion  
county, Indiana, but had been a re-  
sident in the vicinity of Reelsville  
for the past 50 years. He had been a  
member of the Canaan M. E. church  
for many years.

Survivors are the widow, Ed-  
win Trester, of Clay county; also

## RIGHT OF WAY FOR NATIONAL ROAD SECURED

RAPID PROGRESS REPORTED  
ON PRELIMINARY STEP IN  
PROJECT.

LAND OWNERS ARE HELPFUL

Coöperate With Highway Commis-  
sion; No Difficulty Expected in  
Building Two-Lane Road.

Rapid progress is being made by  
a representative of the Indiana State  
Highway Commission in securing  
right of way for the construction of  
a two lane pavement on the National  
road, much of it in Putnam county,  
beginning on the west at the east end  
of the two-lane roadway which was  
built in 1937 and extending eastward  
to a point two miles east of Stiles-  
ville, a length of approximately 8  
miles for the entire project.

Property owners along this section  
of the road are co-operating splendid-  
ly with the highway commission in  
this matter, and it is believed there  
will be no difficulty of any serious  
consequence in the securing of the  
land needed to build the greater  
highway. A. R. Cato is representative  
of the commission in this project, as  
regards right of way, and it was he,  
also, who secured the additional land  
needed for the seven miles of two-lane  
roadway which were built last year.  
He says he believes the property own-  
ers along this new project are more  
favorable to working with the com-  
mission in the matter of granting the  
request of the commission because  
they have seen the effectiveness of  
the two-lane construction, as exem-  
plified in the section built last season.

This new project will be even more  
of a show road than the project of  
last year, in that it will require a  
minimum width of right of way of  
140 feet instead of 120 feet, as was  
required for the project of 1937. This  
additional width is called for in the  
plans because the commission will  
have a 40-foot plot between the two  
20-foot lines of pavement, instead of  
a 20-foot plot, as at present. This plot  
will be built differently, also, in that  
instead of being crowned to permit  
the drainage of water from the plot  
off onto the pavement, the new-style  
plot will drain toward its own center  
line, to keep the water off of the  
pavement. The drainage will empty  
into sewers and culverts which pass  
under the pavements. This minimum  
of 140 feet of right of way will be ex-  
panded to greater widths where there  
are cuts and fills.

The construction work on the  
bridge over Mill creek at the west  
side of Stilesville is expected to be  
carried on without interfering with  
traffic over the structure. It would  
be difficult to find a detour around  
that point which could accommodate  
National road traffic.

It is the plan to use the present  
bridge at Stilesville, by incorporating  
it into the new one, removing the  
present handrails and building to a  
50-foot width on approximately the  
same grade as is now used on the  
bridge.

The greater part of the new route  
will coincide with the present, as  
there are no curves or grades of ser-  
ious magnitude to interfere with us-  
ing the old route. The widening, for  
the most part, will be along the south  
side of the present pavement.

In Stilesville, the construction will  
be similar to that in Mt. Meridian,  
with a contracting of the space be-  
tween the two lanes, and an elevation  
of that space, with curbing.

The plight of Lora-Buis, who has a  
filling station and tourist camp west  
of Mt. Meridian, and who was left  
almost isolated by the change in the  
route of the National road past his  
place, last season, will be alleviated,  
as far as the commission and the  
county road men are concerned, by  
the giving to him of the right of  
way of the old road which passed  
along his place, which will give him  
site for the relocation of his buildings  
along the new route, toward the  
north of his present location.

The commission hopes to be able  
to secure the right of way on the  
new project in "time to permit the  
plans to go to Washington for ap-  
proval, and the contracts to be let,  
and the work completed, all this  
season. It is understood close to a  
quarter of a million dollars will be  
expended on the projects, half of it  
coming from the federal treasury.

## 1 1/2 PERCENT INCREASE

INDIANAPOLIS, Ind., March 22.—  
Gasoline consumption for highway  
purposes during January increased  
12 per cent over the previous Janu-  
ary, the State Oil Inspection Depart-  
ment said in a report released today.  
Gasoline consumption for highway  
purposes was 40,624,952 in January,  
1938, as compared to 34,452,616 in  
January, 1937.

## DEPAUW PRESIDENT TO ADDRESS T. H. ALUMNI

Dr. Clyde E. Wildman, president of  
the university, will address the Terre  
Haute DePauw Society at its annual  
dinner meeting to be held at 6:30  
o'clock tonight in the Hotel Deming  
ballroom.

Also present will be Fred O'Hair  
of Greencastle, active in the DePauw  
centennial endowment drive, and  
Benjamin Blumberg of Terre Haute,  
Vigo County chairman for the cam-  
paign. Professor Herman Berg will  
represent the DePauw University de-  
partment of music. An outstanding  
violinist, Professor Berg and the De-  
Pauw Quartet will give several musi-  
cal numbers.

## Registrations Are Soon Due

MANY IN COUNTY MUST RE-  
REGISTER TO BE ELIGIBLE  
TO VOTE THIS FALL

Only two weeks remain for voters  
to register properly prior to the pri-  
mary election of May 3 but records  
at the court house reveal several  
hundred persons in the county still  
remain ineligible to cast their ballots.  
Monday, April 4, is the deadline.

Registration work has been pro-  
gressing rapidly during the past few  
weeks, with hundreds of persons  
either transferring their registrations  
or registering for the first time.

Those who must change their regis-  
trations to be eligible to vote May  
3 are those who have changed their  
residences or names since the last  
election.

Those who must register before  
being able to vote are persons other-  
wise eligible but who have failed to  
register previously and those persons  
who were too young to vote before  
but who will become 21 years of age  
by election day this fall.

Under another provision of the  
law, all persons who were registered  
but failed to vote in either the pri-  
mary or general elections in 1936 al-  
so must re-register to be eligible  
to vote this year. Those who fail to  
do so will have their names removed  
from the registration books.

County Clerk Homer C. Morrison  
in charge of registration, urged that  
anyone in doubt as to his registra-  
tion should call at his office at once  
to make sure of his status.

Voters may register either at the  
office of the county clerk or with any  
of the assistant registration clerks  
in the townships.

Prospective candidates also were  
warned that their petitions must be  
filed in the office of the clerk not  
later than Saturday, April 2. All are  
urged to be sure that the petitions  
are signed in the proper form.

## ACCEPTS APPOINTMENT FOLLOWING ULTIMATUM

KAUNAS, Lithuania, March 22.—  
(UP)—Lithuania notified Poland to-  
day of her agreement to the appoint-  
ment of Franciszek Horwath, Polish  
minister to Latvia as Polish minister  
at Kaunas—the first in 20 years.

The appointment followed Lithu-  
ania's acceptance of the Polish ulti-  
matum for restoration of diplomatic re-  
lations by March 31.

A decision on the possible resig-  
nation of the cabinet was expected af-  
ter the return Thursday of premier  
Jan Tubelis, who has been in Swit-  
zerland on sick leave.

The first public demonstration  
against acceptance of the Polish ulti-  
matum took place last night.

Police arrested 20 members of a  
crowd that tried to march to the  
presidential palace after attending a  
ceremony in honor of the unknown  
soldier. All 20 were released after po-  
lice had taken their names, and the  
demonstration was not only unag-  
gressive but was comparatively or-  
derly. At the ceremony the crowd  
sang the so-called Vilna song bewail-  
ing the loss of Vilna to the Poles and  
swearing to retake it.

## 20 Years Ago IN GREENCASTLE

Mrs. James A. Moag of Indian-  
apolis and Talbott Christie received  
word that her brother, Ward Christie  
had been injured in France. He was  
a member of the aviation division.

Arthur Plummer was candidate  
for nomination for surveyor of Put-  
nam county.

Mr. and Mrs. Arthur Loging and  
baby came from Kalamazoo, Mich.,  
to visit Dr. and Mrs. Bence.

Mrs. Mary Mathias and Miss Nel-  
sie Hammond were among the Green-  
castle women attending the Fifth  
district Federation of clubs meeting  
at Terre Haute.

## STATE HEADS ATTACKED BY SEN. VAN NUYS

RELEASES BITTER DENUNCI-  
ATION OF THE INDIANA  
ADMINISTRATION.

MAY IGNORE JUNE SESSION

Senator Expected to Ignore State  
Convention as Route Toward  
Re-election.

INDIANAPOLIS, March 22.—Re-  
miniscent of the campaigns of 1934  
and 1936, United States Senator  
Frederick Van Nuys has released a  
bitter denunciation of the Indiana  
state administration and intimated  
he would ignore the June Democratic  
convention as a route toward re-elec-  
tion.

Outlining his plans for the cam-  
paign, the senior senator said he had  
amassed evidence detrimental to the  
State House machine which has de-  
creed another party leader would be  
the Democratic nominee for senator.

Senator Van Nuys disclosed he  
would "substantiate with affidavits"  
charges the Townsend administra-  
tion is "prostituting local government  
and law enforcement through the  
grant of beer privileges to public  
officials."

"I can name one city in which a  
company was organized to receive a  
beer importer's permit," he asserted.  
"The Criminal Court judge, sheriff,  
chief of police, prosecuting attorney  
and city attorney were given a ma-  
jority of the stock in this organiza-  
tion."

"This was done in consideration for  
the promise they would deliver in-  
fact a complete delegation to anyone  
who Cliff Townsend Governor, names  
for United States senator," he added.  
"And the company has paid at least  
one fat quarterly dividend."

Asked if his name would be pre-  
sented to the Democratic convention,  
the senator answered:  
"Anybody can present my name  
to the convention. If it were a free  
and open convention I would take my  
chance."

He said he had plans to attempt to  
elect delegates to the convention, add-  
ing he "wouldn't spend a dime try-  
ing to get them."

In a lengthy prepared statement  
the senator reviewed events which  
led up to the break between himself  
and the Townsend administration.

"It is very palpable from the  
thousands of such returns (pledge  
cards in answer to his 'committee of  
100,000' that such citizenship is fed  
up on self-serving, gluttonous ma-  
chine politics, the prostitution of lo-  
cal governments and law enforce-  
ment through the grant of beer pri-  
vileges to public officials, slush funds  
violative of all corrupt practice acts  
office furniture, potato and gadget  
rackets and rubber stamp states-  
manship," he stated.

"I do not subscribe to any of these  
practices, hence, the issue narrows  
down to this—do the people of In-  
diana want a straphanger or unbossed  
representative in the United States  
Senate for their state?"

"I propose to give them a real op-  
portunity to express themselves on  
these and kindred subjects next Nov-  
ember."

The senator said he would launch a  
vigorous two-months radio cam-  
paign "about two months prior to the  
election." He told newsmen he would  
speak once each week over a state-  
wide network.

"At that time I will file a bill of  
particulars, giving names, dates and  
amounts," he asserted.

"I want to assure the good citizens  
of Indiana there won't be any punch  
es pulled in these radio addresses,"  
the senator said.

Disclosing he had asked the State  
Election Board for an opinion, Van  
Nuys pointed out he would be re-  
quired to file as an independent sixty  
days before the Nov. 8 election. He  
had been assured, he said, it was not  
necessary to file before April 3 be-  
cause the senatorial nomination is  
not subject to the primary election.

He charged Governor Townsend  
had "deliberately and premeditatedly  
attacked him" in his address at the  
Democratic editorial meeting last Au-  
gust in French Lick. Referring to a  
statement attributed to the Gov-  
ernor in Washington that "Indiana  
Democrats don't want Senator Van  
Nuys," the senator described the re-  
mark as "an effrontery unprecedented  
in the history of political Wash-  
ington."

"In the long months of hard and  
continuous labor in preserving the  
integrity of our judicial system," the  
statement said, "I was subjected to  
the most unsavory and undignified  
political pressure and threats of re-  
prisal ever directed at a member of  
the United States Senate."

"At all emanated from the State  
House, I remained true to my con-  
science."

## HERMAN B. WELLS CHOSEN INDIANA U. PRESIDENT

BLOOMINGTON, Ind., March 22.—  
(UP)—Dr. Herman B. Wells, dean  
of the Indiana School of Business  
Administration, today was chosen  
president of Indiana university by  
unanimous vote of the board of trustees.

The only cause for delay in his ap-  
pointment was the desire of a major-  
ity of the trustees to offer the posi-  
tion to former Gov. Paul V. McNutt,  
present Philippine Island commis-  
sioner, but who was handicapped by  
not knowing his attitude toward ac-  
cepting the position.

When McNutt visited the United  
States this month he let it be known  
that he would not accept the presi-  
dency of the university where he for-  
merly served as dean of the law  
school, presumably because of his  
projected campaign for the 1940  
Democratic presidential nomination.

## TVA Showdown Is Due Today

ULTIMATUM OF PRESIDENT EX-  
PECTED TO BE DEFIED BY  
MORGAN.

WASHINGTON, March 22.—(UP)—  
Congressional investigation of the  
Tennessee Valley Authority appeared  
certain today despite the probability  
that President Roosevelt would dis-  
miss or suspend its chairman, Dr.  
Arthur E. Morgan.

Senate Majority Leader Alben W.  
Barkley, D. Ky., said it was "gener-  
ally understood" that some inquiry  
would be undertaken. Speaker Wil-  
liam B. Bankhead asserted that the  
President was making no effort to  
avoid an investigation.

Agreement on the exact form of  
investigation has not been reached,  
but it was indicated action would be  
taken regardless of the move Mr.  
Roosevelt makes today when his latest  
ultimatum expires.

Yesterday he ordered Dr. Morgan  
to withdraw his charges against his  
co-directors, Harcourt A. Morgan  
and David E. Lilienthal, or resign. If  
he fails to do one or the other by 1:30  
p. m. today, the President said, he  
will be dismissed or suspended.

Dr. Morgan defied the ultimatum.  
He said that he did not intend to re-  
sign and challenged the President's  
power to remove him.

Asserting that he intended to re-  
tract nothing, he said:  
"Summed up, my attitude is that  
I do not choose to run away."

Sen. George W. Norris, Ind., Neb.,  
"father" of the TVA, reiterated his  
belief that Dr. Morgan should resign.  
If he refuses he should be removed  
rather than suspended, Norris said,  
lest suspension delay appointment of  
a successor.

Barkley favors broadening any in-  
vestigation of the situation to include  
power companies in their relation to  
the TVA—any attempts they may  
have made to oppose the agency.

Whatever move Mr. Roosevelt  
makes today, it was certain to re-  
vive a bitter controversy in Congress  
over the new deal's vast power and  
regional planning project. The feud  
among TVA directors, which rumbled  
privately for more than two years  
and broke into public notice a month  
ago, appeared to have reached its cli-  
max.

Three times within 10 days the  
President called the three directors  
to the White House and three times  
the tall, slightly bald and gray chair-  
man defied the President's unprece-  
dented attempt to reconcile his ap-  
pointees.

## Public Schools To Be Dismissed

THURSDAY AND FRIDAY TO BE  
VACATION PERIOD FOR  
STUDENTS.

All Greencastle public schools will  
be adjourned after the close of the  
school day Wednesday until the fol-  
lowing Monday morning. The plan  
of observing a brief spring vacation,  
closing the last Thursday and Friday  
of March, has been followed in the  
local schools for many years.

The annual program of vocational  
guidance conferences will be observ-  
ed at the high school activity period  
Wednesday. Students may elect to  
hear representatives from any of a  
wide variety of professions and occu-  
pations.

The program is sponsored jointly  
by school officials and by the voca-  
tional guidance committee of Kiwa-

## SUDDEN DEATH OF WELL KNOWN WOMAN MONDAY

MRS. M. S. HEAVENRIDGE PAS-  
SED AWAY AFTER SHORT  
ILLNESS AT HOME.

FUNERAL TOMORROW MORNING

Was Widow of Church Leader in  
Southern Indiana and Made  
Home Here Since 1912.

This community was shocked late  
Monday by the sudden death of Mrs.  
Fanny Heavenridge at her home, 702  
south Locust street, after a very  
brief illness.

Mrs. Heavenridge had been a resi-  
dent of Greencastle since 1912, com-  
ing here from Spencer to make her  
home with her sister, Mrs. Jennie  
Jennings, who survives. In addition  
to the sister, the deceased is survived  
by a nephew, John Clark of Indian-  
apolis and a grand-son and grand-  
daughters.

Mrs. Heavenridge was born and  
reared at Evansville. She was united  
in marriage to the Rev. M. S. Heaven-  
ridge, a pastor in the Indiana Con-  
ference of the Methodist Episcopal  
church and she spent her long and  
useful life in faithful work in the  
church, it being her greatest interest.  
She lived much of her time in towns  
in southern Indiana, where her hus-  
band was a leader and held import-  
ant pastorates in the church to which  
he devoted his life's work.

After coming to Greencastle, Mrs.  
Heavenridge took an active interest  
in all the work of the Methodist  
church and her faithful attendance,  
her kindly spirit and her willingness  
to help in any cause will long be re-  
membered by those whom she aided  
in so many ways. She always had  
a smile and a kind word for her  
friends who were numberless in this  
community as well as in every place  
where she lived.

The funeral services will be held  
from the Gobin Memorial church  
Wednesday morning at ten o'clock.  
Burial will be in the Spencer cem-  
etery. Dr. Claud M. McClure, pastor  
will have charge. He will be assisted  
by the Rev. J. E. Porter, Dr. D. Til-  
lotson and Dr. W. M. Blanchard. Dr.  
VanDeman Thompson will preside  
at the organ, playing "How Firm is  
The Foundation," and Dr. E. R. Bart-  
lett will sing, "Majestic Sweetness,"  
both of which were favorites of the  
deceased. The pall-bearers will be  
Russell E. Brown, S. R. Riden,  
Jerome Hixson, E. R. Bartlett, L. R.  
Eckardt and Lester M. Jones.

## MOTHER OF PUTNAM WOMAN DIED MONDAY AFTERNOON

Mrs. Cecilia Fogarty of Russellville  
is a daughter of Mrs. Susan E. Bar-  
nett who died Monday afternoon in  
the Culver hospital at Crawfordsville,  
in which city she resided.

Born near Darlington, Dec. 18,  
1860, Mrs. Barnett was the daughter  
of Solomon and Jane Dane Peterson.  
She was married to George W. Bar-  
nett, Dec. 18, 1883, who preceded her  
in death.

Mrs. Barnett was a member of the  
First Christian church.

Other children who survive are  
Ray Barnett and Sam Barnett, both  
of near Crawfordsville; Mrs. Ruth B.  
Williams, Oxford, O., and Margaret  
Sarrill, Crawfordsville; three sisters,  
Mrs. Atlanta Dunbar, Mrs. Lula Kil

Ralph Spaulding, arrested in this city for public begging, was fined \$10 and costs in Circuit court and will return to his old home, the Indiana State Penal Farm, to "lay it out." This will be his 37th sojourn.

Northwood again last evening to watch a grass fire, adjoining property owners fearing the blaze would spread from the grass to structures. The city firemen were called to there, according to records furnished the police of this city.

##### NOTED RETONGA

Scores in This Community Will Be Benefited By Famous Medicine.

Scores of people in this section suffering from a poor, weak, rundown condition will be cheered by the announcement that Retonga, the cele-

brated health and strength-promoting medicine, can now be obtained in Greencastle at R. P. Mullins' Drug store.

Retonga is an astonishingly beneficial combination of roots, herbs, and barks, gathered from all over the world, each chosen for a different and beneficial action upon the body. Its remarkable strengthening and health-promoting powers have won the enthusiastic praise of hundreds of well-known men and women throughout this section, who have experienced its extraordinary benefits. Mr. Charles B. Smith, leading safe and lock expert of South Bend, who makes his home at the Y. M. C. A., that city, recently said of this noted medicine:

"Seven years of trouble with my stomach, liver, and kidneys, which nothing seemed to reach, had me almost past going. My food felt like fire in my stomach, and my feet and ankles would swell and hurt as bad as any toothache. I had to take a laxative every day, and my kidneys were so free at night that I got little sound sleep. Three bottles of Retonga rid me of every one of these troubles and put me back in such fine condition I feel like a new man. I wish I could place a bottle of this wonderful medicine in the hands of every man and woman in this country."

No matter how long you have been in poor, weak, rundown condition, the very first bottle of Retonga is guaranteed to bring you gratifying relief and improvement or every cent of the small cost will be refunded without question. Obtain a bottle of this remarkable herb compound today at R. P. Mullins' Drug Store.—Adv.

## THE BUILDING STORE COMPLETE

This week the Allan Lumber Co., Inc. is celebrating its 22nd birthday in Greencastle, and in this more than a score of years the organization has played an important part in the building up of Greencastle community through its complete service.

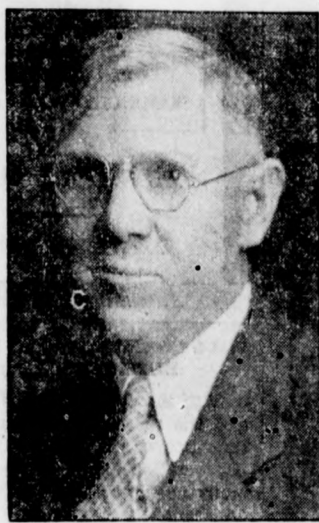

Like changing from horse-and-wagon delivery service to modern truck methods, the firm has kept abreast with the times and endeavored to give the building public the latest, most serviceable, best quality and most reasonable-priced products available. Yearly expansion has been noted since the organization came into existence, not only offering lumber, but bringing all the conveniences in building within grasp of everybody—such as diversified mill work, glass, building hardware, paint, and everything required to construct the modern home from beginning to end.

This complete Allan service has been recognized for many years and has figured prominently in the building program in Greencastle and community, helping to make Greencastle the model city of its size in the mid-west.

At the head of the concern is Harry E. Allan, a veteran dealer of building supplies with nearly 40 years experience. Always willing to support worthwhile community activities, Mr. Allan appreciates the trust and confidence placed in him and values the cooperation received from fellow-citizens.

In its 22 years the Allan Lumber Co., Inc., has progressed with Greencastle and Putnam county and looks forward to many years of service as the community's complete building supply store. The firm's policy of fair dealing at all times has been a contributing factor to its success.
